### Focus & Discussion:

Rest, refreshment, and fellowship is the focus of this time away. At the same time, we do want to “sharpen one another” (Prov. 27:17) with some good discussion and brainstorming times.

Please **purchase your own copy** of Mission Creep— The Five Subtle Shifts That Sabotage Evangelism & Discipleship by Larry Osborne. This book will act as the scaffolding to launch our discussions. Please plan to read as much of it as you can prior to our retreat.

NOTE: This book is available on Amazon.ca as both paperback (\$16.50) and e-book (\$9.99).
